

# What do the different statuses mean once the batches have been submitted?

12/03/2024 4:51 pm CST

Batches that are submitted to ftwilliam.com for Federal E-File, Fulfillment and/or State E-File will display a series of statuses.

Statuses	Federal E-File	Fulfillment	State E-File
<b>Pending</b>	ftwilliam.com has received the submission	ftwilliam.com has received the submission	ftwilliam.com has received the submission
<b>In Process</b>	ftwilliam.com has submitted files with the IRS	ftwilliam.com has started the printing/ mailing process	ftwilliam.com has submitted files with the State(s)
<b>Submitted</b>	NA	NA	The State has received the State E-File submission
<b>Completed</b>	The IRS has completed the processing of the E-File submission	ftwilliam.com has finalized the printing/ mailing of the Employee copies	NA

**Note:** The entire process for your batch to change from "Pending" to "Completed" should be around 4-5 business days. However, it can take longer during peak filing deadlines depending on IRS processing times.
