

# What does it mean when the user sees a x or ✓?

12/03/2024 4:52 pm CST

A user may come back to check on the status of a submission only to see different icons. The user should go into the batch to click on "Check E-File Errors" to view a list of items the IRS provided as errors.

The screenshot shows a web application interface for managing ACA-C 2019 batches. The main page displays batch details for 'ACA-C' 2019, including a count of 3, 1095 count of 16, and an E-File status of '02/04/2020' with a red 'x' icon. A 'Check E-File Errors' button is highlighted in the 'Batch Options' section. Below this, a '2019 ACA-C Test Company Uploader' window is open, showing a receipt ID of 1094C-20-00007280. The window lists two errors for Form 1094-C:

- Form 1094C 'BusinessName' and 'EmployerEIN' in 'EmployerInformationGrp' must match the IRS database.
- Form 1094C 'BusinessName' and 'EmployerEIN' within 'GovtEntityEmployerInfoGrp' must match the IRS database.

To the right of the main page, an 'E-File' table shows three entries, all with red 'x' icons and the date '02/04/2020'.

Batch	Year	Batch Name	Batch ID
ACA-C	2019	12.20 C	216177

Count	1095 Cnt	Error	Lock	E-File	Fulfillment	State	Complete	Print
3	16	02/04/2020	02/07/2020	02/04/2020	02/07/2020			12/20/2019

E-File
02/04/2020
02/04/2020
