Portal Users are able to check the status of their 5330 filings by selecting the **Check 5330 Status** button on the left side of the screen:

The screenshot shows the Wolters Kluwer A Demo portal interface. On the left sidebar, there are buttons for Home, Inbox (3), ToDo List (0), Documents, Download 5500, and **Check 5330 Status** (highlighted with a red box). The main content area has a 'Welcome Message' section with the text 'Welcome to the Portal' and 'Please select a plan from the top or an option from the left.' Below this is a 'ToDo List' section. On the right, there is a 'New Documents' section with a table header 'Document' and 'Date', and the text 'No new documents'.

Once selected the filing year and description of the forms filed populate in the dropdown menu:

**NOTE:** The wording beside the filing year is the 5 character descriptor entered in the top left corner of the draft 5330 Form.

The screenshot shows the 'Check 5330 Status' button selected, which has opened a dropdown menu titled 'Select a Year'. The menu contains the text 'Please select a year to check the submission status.' and a list of options: '2023 - ()' and '2023 - (2nd)'. The dropdown menu is highlighted with a red box.

After selecting a filing from the dropdown menu, a new window will populate with the filing details:
