The plan has [a contract OR contracts] with [Schedule A, Line 1(a) insurance carrier(s) OR SAR, Line 15c when Form 5500-SF] which allocate funds toward [SAR Line 15b]. The total premiums paid for the plan year ending [Form 5500, Plan Year End] were [sum of all Schedule As, Line 6b].

### Line 16a. Audit waiver[Top](#)

If Line 1b and Line 4 indicate a small pension plan, but the plan is not eligible for the waiver, select 'No' for Line 16a.

More **Frequently Asked Questions** regarding the *Small Pension Plan Audit Waiver Regulation* may be found by clicking [here](#), which will direct you to the DOL's site. A sample of the [model notice](#) can be found below.

#### Information Regarding Plan Assets

The U.S. Department of Labor's regulations require that an independent qualified public accountant audit the plan's financial statements unless certain conditions are met for the audit requirement to be waived. This plan met the audit waiver conditions for the plan year beginning [Form 5500, Plan Year Begin] and therefore has not had an audit performed. [If Line 16b and Line 16c are not blank] Instead, the following information is provided to assist you in verifying that the assets reported on the Form 5500 were actually held by the plan.

### Line 16b. Audit waiver surety[Top](#)

If Line 16a is 'Yes', then you should enter the name(s) of the surety company issuing enhanced fidelity bonding - if the plan has more than five percent of its assets in "non-qualifying plan assets."

More **Frequently Asked Questions** regarding the *Small Pension Plan Audit Waiver Regulation* may be found by clicking [here](#), which will direct you to the DOL's site.

If **Line 16b** is not blank and **Line 16c** is blank, the following will be added to the SAR:

The remainder of the plan's assets were other assets covered by a fidelity bond at least equal to the value of the assets issued by [Name(s) of Surety], an approved surety company.

If **Line 16b** is blank and **Line 16c** is blank, the following will be added to the SAR:

If **Line 16b** is blank and **Line 16c** is not blank, the following will be added to the SAR:

The remainder of the plan's assets were [pulled from the return/report].

### **Line 16c. Audit waiver financial information**[Top](#)

If **Line 16c** is not blank, the following will be added to the SAR:

At the end of the plan year, the plan had qualifying plan assets at the following institution(s):  
[text from Line 16c]

[(insert \$ amount) in securities held by (insert name of registered broker-dealer)],  
[(insert \$ amount) in shares issued by (insert name of registered investment company)],

The plan receives year-end statements from these regulated financial institutions that confirm the above information.

The following information will also appear if at least one of the assets types are used in the plan.

The remainder of the plan's assets were []:

### Line 16e. Audit waiver participant directed accounts [Top](#)

If **Line 16a** is 'Yes' and pension codes 2G or 2H are used on the Form 5500/SF (Line 8a of the Form 5500 and Line 9a of the Form 5500-SF), are the assets held in individual participant accounts with investments directed by participants and beneficiaries and with account statements from regulated financial institutions furnished to the participant or beneficiary at least annually?

**Note:** If this item is 'No' - you generally should be entering financial information in **Line 16c** and/or surety information in **Line 16b** in order to qualify for the audit waiver.

See sample SAR language above and the audit waiver [regulation](#) below for more information.

### Line 17. Deemed/corrective distributions [Top](#)

Indicate whether the SAR should include deemed/corrective distributions in the SAR. The model SAR provided by the DOL lacks this information (see [Pension Plan 5500 Cross Reference](#)) and can cause numbers not to add up on the SAR. If 'Yes' is selected, the following phrase in bold will appear in the SAR:

Plan expenses were \_\_\_\_\_. These expenses included \_\_\_\_\_ in administrative expenses and \_\_\_\_\_ in benefits paid to participants and beneficiaries, **\_\_\_\_\_ in certain deemed and/or corrective distributions**, and \_\_\_\_\_ in other expenses.

### Line 18. Other/rollover contributions and other income [Top](#)

Indicate whether the SAR should include other/rollover contributions and other income in the SAR. The model SAR provided by the DOL (see [Pension Plan 5500 Cross Reference](#)) lacks this information from schedules I and H and can cause numbers not to add up on the SAR (not applicable to the Form 5500-SF). If yes is selected, the following phrase in bold will appear in the SAR:

During the plan year the plan experienced a change in its net assets of \_\_\_\_\_. This change includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had total income of \_\_\_\_\_, including employer contributions of \_\_\_\_\_, employee contributions of \_\_\_\_\_, **other contributions/other income of \_\_\_\_\_**, gains/(losses) of \_\_\_\_\_ from the sale of assets, and earnings from investments of \_\_\_\_\_."

**Note:** This item is not applicable to a Form 5500-SF since the [Pension Plan 5500 Cross Reference](#) **does** include rollover information from a Form 5500-SF.

## Welfare Plan Information [Return to Top](#)

## Lines 25a/b. Uninsured [Top](#)

If Line 1b indicates a welfare plan and Line 25a is 'Yes', complete Line 25b. The following language will appear at the beginning of the SAR:

[Form 5500/SF, Line 2a Sponsor Name] has committed itself to pay all/certain [Line 25b] claims incurred under the terms of the plan.

## Line 25c. All or certain claims [Top](#)

If Line 1b indicates a welfare plan and Line 25a is 'Yes', select whether the plan sponsor will pay all or certain claims. We recommend selecting 'certain' as we assume the plan has some limits on claims it will pay (copays, deductibles, etc.). The following text in bold will appear in the SAR depending upon your response for Line 25c:

[Form 5500/SF, Line 2a Sponsor Name] has committed itself to pay **[all/certain]** [Line 25b] claims incurred under the terms of the plan.

## Lines 26a/b. Insured [Top](#)

If Line 1b indicates a welfare plan and Line 26a is 'Yes', complete Line 26b. The following language will appear under "Insurance Information" in the SAR:

The plan has insurance contracts with [Schedule A name of insurance carrier(s)] to pay all/certain [Line 26b] claims incurred under the terms of the plan. The total premiums paid for the plan year ending [Form 5500 Plan Year End] were [sum of Schedule As, Line 9a(1)].

**Note:** If using a Form 5500-SF, see [Line 26d](#) below.

## Line 26c. All or certain claims [Top](#)

If Line 1b indicates a welfare plan and Line 26a is 'Yes', select whether the insurance carrier will pay all or certain claims. We recommend selecting 'certain' - as we assume the plan has some limits on claims it will pay (copays, deductibles, etc.). The following text in bold will appear in the SAR depending upon your response for Line 26c:

The plan has contracts with [Schedule A name of insurance carrier(s) OR SAR, Line 26d when Form 5500-SF] to pay **[all/certain]** [Line 26b] claims incurred under the terms of the plan. The total premiums paid for the plan year ending [Form 5500 Plan Year End] were [sum of Schedule As, Line 9a(1)].

## Line 26d. Insurance Carriers [Top](#)

If Line 1b indicates a welfare plan, Line 26a is 'Yes', and the return is filing on a Form 5500-SF, then enter the names of the Insurance Carrier(s) that would typically be included on the Schedule A. The following language will appear under "Insurance Information" in the SAR:

The plan has insurance contracts with [Line 26d] to pay all/certain [Line 26c] claims incurred under the terms of the plan.

**Note:** See instructions for [Line 26c](#) above.

In addition, we recommend manually adding the following text to the SAR when the return is filing on a Form 5500-SF:

Because they are so called "experience-rated" contracts, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending [date from 5500], the premiums paid under such "experience-rated" contracts were [amount from Schedule A] and the total of all benefit claims paid under these "experience-rated" contracts during the plan year was [amount from Schedule A].

### Line 27a. Include the type of welfare plan [Top](#)

The welfare plan type is included in the DOL's model [Form for Summary Annual Report Relating to Welfare Plans](#). If 'No' is selected, the SAR will not include a welfare benefit code description. If 'Custom' is selected, go to Line 27b to enter a description. If 'Yes' is selected, the welfare benefit codes entered on the Form 5500/SF will be used in the following bold text:

This is a summary of the annual report of the [Plan Name], **[welfare benefit code(s)]** plan (Employer Identification Number [EIN], Plan Number [PN]), for the plan year [Plan Year Begin] through [Plan Year End]. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

**Note:** You can also enter this information for all plans within the WK Logo > Administrative Tasks > Defaults > SAR/AFN 8955-SSA Defaults.

### Line 27b. Custom welfare plan type [Top](#)

If Line 27a is 'Custom', then enter a description in Line 27b. Instead of using the welfare plan codes from the Form 5500/SF, you can insert a plan type description for use in the first sentence of the SAR. The following in bold is where the description will appear:

This is a summary of the annual report of the [Plan Name], **[Line 27b]** plan (Employer Identification Number [EIN], Plan Number [PN]), for the plan year [Plan Year Begin] through [Plan Year End]. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

**Note:** You can also enter this information for all plans within the WK Logo > Administrative Tasks > Defaults > SAR/AFN 8955-SSA Defaults.

**Sec. 2520.104-46 Waiver of examination and report of an independent qualified public accountant for employee benefit plans with fewer than 100 participants. [Return to Top](#)**

**(a) General [Return to top](#)**

- (1) Under the authority of section 103(a)(3)(A) of the Act, the Secretary may waive the requirements of section 103(a)(3)(A) in the case of a plan for which simplified annual reporting has been prescribed in accordance with section 104(a)(2) of the Act.

- (1)
  - (i) The administrator of an employee pension benefit plan for which simplified annual reporting has been prescribed in accordance with section 104(a)(2)(A) of the Act and sec. 2520.104-41 is not required to

comply with the annual reporting requirements described in paragraph (c) of this section, provided that with respect to each plan year for which the waiver is claimed-

(2) Any person who handles assets of the plan that do not constitute qualifying plan assets is bonded in accordance with the requirements of section 412 of the Act and the regulations issued thereunder, except that the amount of the bond shall not be less than the value of such assets;

(B) The summary annual report, described in sec. 2520.104b-10, includes, in addition to any other required information: [Return to top](#)

(1) Except for qualifying plan assets described in paragraph (b)(1)(ii)(A), (B) and (F) of this section, the name of each regulated financial institution holding (or issuing) qualifying plan assets and the amount of such assets reported by the institution as of the end of the plan year;

(2) The name of the surety company issuing the bond, if the plan has more than 5% of its assets in non-qualifying plan assets;

(3) A notice indicating that participants and beneficiaries may, upon request and without charge, examine, or receive copies of, evidence of the required bond and statements received from the regulated financial institutions describing the qualifying plan assets; and

(4) A notice stating that participants and beneficiaries should contact the Regional Office of the U.S. Department of Labor's Employee Benefits Security Administration if they are unable to examine or obtain copies of the regulated financial institution statements or evidence of the required bond, if applicable; and

(C) in response to a request from any participant or beneficiary, the administrator, without charge to the participant or beneficiary, makes available for examination, or upon request furnishes copies of, each regulated financial institution statement and evidence of any bond required by paragraph (b)(1)(i)(A)(2).

(ii) For purposes of paragraph (b)(1), the term "qualifying plan assets" means: [Return to top](#)

(A) Qualifying employer securities, as defined in section 407(d)(5) of the Act and the regulations issued thereunder;

(B) Any loan meeting the requirements of section 408(b)(1) of the Act and the regulations issued thereunder;

(C) Any assets held by any of the following institutions

(1) A bank or similar financial institution as defined in sec. 2550.408b-4(c);

(2) An insurance company qualified to do business under the laws of a state;

(3) An organization registered as a broker-dealer under the Securities Exchange Act of 1934; or

(4) Any other organization authorized to act as a trustee for individual retirement accounts under section 408 of the Internal Revenue Code.

(D) Shares issued by an investment company registered under the Investment Company Act of 1940;

(E) Investment and annuity contracts issued by any insurance company qualified to do business under the laws of a state; and,

(F) In the case of an individual account plan, any assets in the individual account of a participant or beneficiary over which the participant or beneficiary has the opportunity to exercise control and with respect to which the participant or beneficiary is furnished, at least annually, a statement from a

regulated financial institution referred to in paragraphs (b)(1)(ii)(C), (D) or (E) of this section describing the assets held (or issued) by such institution and the amount of such assets.

(iii)

(A) For purposes of this paragraph (b)(1), the determination of the percentage of all plan assets consisting of qualifying plan assets with respect to a given plan year shall be made in the same manner as the amount of the bond is determined pursuant to secs. 2580.412-11, 2580.412-14, and 2580.412-15.

(B) Examples. Plan A, which reports on a calendar year basis, has total assets of \$600,000 as of the end of the 1999 plan year. Plan A's assets, as of the end of year, include: investments in various bank, insurance company and mutual fund products of \$520,000; investments in qualifying employer securities of \$40,000; participant loans, meeting the requirements of ERISA section 408(b)(1), totaling \$20,000; and a \$20,000 investment in a real estate limited partnership. Because the only asset of the plan that does not constitute a "qualifying plan asset" is the \$20,000 real estate investment and that investment represents less than 5% of the plan's total assets, no bond would be required under the proposal as a condition for the waiver for the 2000 plan year. By contrast, Plan B also has total assets of \$600,000 as of the end of the 1999 plan year, of which \$558,000 constitutes "qualifying plan assets" and \$42,000 constitutes non-qualifying plan assets. Because 7%-more than 5%-of Plan B's assets do not constitute "qualifying plan assets," Plan B, as a condition to electing the waiver for the 2000 plan year, must ensure that it has a fidelity bond in an amount equal to at least \$42,000 covering persons handling non-qualifying plan assets. Inasmuch as compliance with section 412 requires the amount of bonds to be not less than 10% of the amount of all the plan's funds or other property handled, the bond acquired for section 412 purposes may be adequate to cover the non-qualifying plan assets without an increase (i.e., if the amount of the bond determined to be needed for the relevant persons for section 412 purposes is at least \$42,000). As demonstrated by the foregoing example, where a plan has more than 5% of its assets in non-qualifying plan assets, the bond required by the proposal is for the total amount of the non-qualifying plan assets, not just the amount in excess of 5%.

(2) The administrator of an employee welfare benefit plan that covers fewer than 100 participants at the beginning of the plan year is not required to comply with annual reporting requirements described in paragraph (c) of this section.

**(c) Waiver.** The administrator of a plan described in paragraph (b) (1) or (2) of this section is not required to:
