Future Developments [Return to top](#)

For the latest information about developments related to Forms 1099-SA and 5498-SA and their instructions, such as legislation enacted after they were published, go to [IRS.gov/Form1099SA](https://www.irs.gov/Form1099SA) and [IRS.gov/Form5498SA](https://www.irs.gov/Form5498SA).

You can get the General Instructions for Certain Information Returns at [IRS.gov/1099GeneralInstructions](https://www.irs.gov/1099GeneralInstructions).

Reminders [Return to top](#)

In addition to these specific instructions, you should also use the current General Instructions for Certain Information Returns. Those general instructions include information about the following topics.

- [Who must file.](#)

- When and where to file.
- Electronic reporting.
- Corrected and void returns.
- Statements to recipients.
- Taxpayer identification numbers (TINs).
- Backup withholding.
- Penalties.
- Other general topics.

Continuous-use form and instructions. Form 1099-SA and its instructions are continuous use. Both the form and instructions will be updated as needed. For the most recent version, go to [IRS.gov/Form1099SA](https://www.irs.gov/Form1099SA).

E-filing returns. The Taxpayer First Act of 2019 authorized the Department of the Treasury and the IRS to issue regulations that reduce the 250-return e-file threshold. T.D. 9972, published February 23, 2023, lowered the e-file threshold to 10 (calculated by aggregating all information returns), effective for information returns required to be filed on or after January 1, 2024. Go to [IRS.gov/IRIS](https://www.irs.gov/IRIS) for e-file information.

Online fillable forms. Due to the very low volume of paper Forms 1099-SA and 5498-SA received and processed by the IRS each year, these forms have been converted to an online fillable format. You may fill out the forms, found online at [IRS.gov/Form1099SA](https://www.irs.gov/Form1099SA) and [IRS.gov/Form5498SA](https://www.irs.gov/Form5498SA), and send Copy B to the recipient.

Caution! For Forms 1099-SA and 5498-SA only, if due to a low volume of recipients, you are filing the form(s) on paper, you can send in the black-and-white Copy(ies) A with a Form 1096 that you also printed from the IRS website.

Specific Instructions for Form 5498-SA [Return to top](#)

File Form 5498-SA, HSA, Archer MSA, or Medicare Advantage MSA Information, with the IRS on or before June 1, 2026, for each person for whom you maintained a health savings account (HSA), Archer medical savings account (Archer MSA), or Medicare Advantage MSA (MA MSA) during 2025. You are required to file if you are the trustee or custodian of an HSA, Archer MSA, or MA MSA. A separate form is required for each type of plan.

For HSA or Archer MSA contributions made between January 1, 2026, and April 15, 2026, you should obtain the participant's designation of the year for which the contributions are made.

For repayment of a mistaken distribution amount, see [HSA Mistaken Distributions](#), earlier. Do not treat the repayment as a contribution on Form 5498-SA.

Rollovers [Return to top](#)

You must report the receipt of a rollover from one Archer MSA to another Archer MSA, and receipt of a rollover from an Archer MSA or an HSA to an HSA in box 4.

Transfers [Return to top](#)

Do not report a trustee-to-trustee transfer from one Archer MSA or MA MSA to another Archer MSA or MA MSA, from an Archer MSA to an HSA, or from one HSA to another HSA. For reporting purposes, contributions and rollovers do not

include these transfers. However, see [Box 2](#), later, for the reporting of a trustee-to-trustee transfer from an IRA to an HSA.

Total Distribution, No Contributions [Return to top](#)

Generally, if a total distribution was made from an HSA or Archer MSA during the year and no contributions were made for that year, you need not file Form 5498-SA nor furnish a statement to the participant to reflect that the fair market value (FMV) on December 31 was zero.

Death of Account Holder [Return to top](#)

In the year an HSA, Archer MSA, or MA MSA owner dies, you must generally file a Form 5498-SA and furnish a statement for the decedent. If the designated beneficiary is the surviving spouse, the following apply.

- The spouse becomes the account holder of the HSA or Archer MSA.
- An MA MSA is treated as an Archer MSA of the spouse for distribution purposes, but no new contributions may be made to the account.

If the designated beneficiary is not the spouse or there is no designated beneficiary, the account ceases to be an HSA, Archer MSA, or MA MSA.

Statements to Participants [Return to top](#)

If you are required to file Form 5498-SA, you must provide a statement to the participant (generally Copy B) by June 1, 2026. You may, but you are not required to, provide the participant with a statement of the December 31, 2025, FMV of the participant's account by February 2, 2026. For more information about statements to participants, see [part M](#) in the current General Instructions for Certain Information Returns.

If you furnished a statement of the FMV of the account to the participant by February 2, 2026, and no reportable contributions, including rollovers, were made for 2025, you need not furnish another statement (or Form 5498-SA) to the participant to report zero contributions. However, you must file Form 5498-SA with the IRS by June 1, 2026, to report the December 31, 2025, FMV of the account.

Caution! *If you do not furnish another statement to the participant because no reportable contributions were made for the year, the statement of the FMV of the account must contain a legend designating which information is being furnished to the IRS.*

Truncating Participant's TIN on Payee Statements [Return to top](#)

Pursuant to Regulations section 301.6109-4, all filers of this form may truncate a participant's TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)) on payee statements. Truncation is not allowed on any documents the filer files with the IRS. A trustee's TIN may not be truncated on any form. See [part J](#) in the current General Instructions for Certain Information Returns.

Account Number [Return to top](#)

The account number is required if you have multiple accounts for a recipient for whom you are filing more than one

Form 5498-SA. Additionally, the IRS encourages you to designate an account number for all Forms 5498-SA that you file. See [part L](#) in the current General Instructions for Certain Information Returns.

Box 1. Employee or Self-Employed Person's Archer MSA Contributions Made in 2025 and 2026 for 2025 [Return to top](#)

Enter the employee's or self-employed person's regular contributions to the Archer MSA made in 2025 and through April 15, 2026, for 2025. Report gross contributions, including any excess contributions, even if the excess contributions were withdrawn. No HSA information is to be reported in box 1.

Box 2. Total Contributions Made in 2025 [Return to top](#)

Enter the total HSA or Archer MSA contributions made in 2025. Include any contribution made in 2025 for 2024. Also include qualified HSA funding distributions (trustee-to-trustee transfers from an IRA to an HSA under section 408(d)(9)) received by you during 2025. Any excess employer contributions (and the earnings on them) withdrawn by the employer pursuant to Notice 2008-59, Q&A 24, available at [IRS.gov/irb/2008-29_IRB#NOT-2008-59](https://www.irs.gov/irb/2008-29_IRB#NOT-2008-59), should not be reported as a contribution. You may, but you are not required to, report the total MA MSA contributions made in 2025 by the Secretary of Health and Human Services or their representative. Do not include amounts reported in box 4.

Box 3. Total HSA or Archer MSA Contributions Made in 2026 for 2025 [Return to top](#)

Enter the total HSA or Archer MSA contributions made in 2026 for 2025.

Box 4. Rollover Contributions [Return to top](#)

Enter rollover contributions to the HSA or Archer MSA received by you during 2025. These amounts are not to be included in box 2.

Box 5. Fair Market Value of HSA, Archer MSA, or MA MSA [Return to top](#)

Enter the FMV of the account on December 31, 2025.

Box 6. Checkbox [Return to top](#)

Check the box to indicate if this account is an HSA, Archer MSA, or MA MSA.

Process Date. This is the last date a Copy A was printed for the Participant.

Office Code. Used in electronic filing only. Enter the office code of the Payer (may be blank). For payers with multiple locations, this field may be used to identify the location of the office submitting the information return.

H. Corrected Returns on Paper Forms [Return to top](#)

Caution! To file corrections for electronically filed forms, see [part F](#) and [Pub. 1220](#).

If you filed a return with the IRS and later discover you made an error on it, you must:

- Correct it as soon as possible and file Copy A and Form 1096 with your IRS Submission Processing Center (see [part D](#)), and
- Furnish statements to recipients showing the correction.

When making a correction, complete all information (see [Filing corrected returns on paper forms](#), later).

- Do not cut or separate forms that are two or three to a page. Submit the entire page even if only one of the forms on the page is completed.
- Do not staple the forms to Form 1096.
- Do not send corrected returns to the IRS if you are correcting state or local information only. Contact the state or local tax department for help with this type of correction.

To correct payer information, see [Reporting incorrect payer name and/or TIN](#), earlier.

Form 1096. [top](#) Use a separate Form 1096 for each type of return you are correcting. For the same type of return, you may use one Form 1096 for both originals and corrections. You do not need to correct a previously filed Form 1096.

CORRECTED checkbox. [top](#) Enter an "X" in the "CORRECTED" checkbox only when correcting a form previously filed with the IRS or furnished to the recipient. Certain errors require two returns to make the correction. See [Filing corrected returns on paper forms](#), later, to determine when to mark the "CORRECTED" checkbox.

Account number. [top](#) If the account number was provided on the original return, the same account number must be included on both the original and corrected returns to properly identify and process the correction. If the account number was not provided on the original return, do not include it on the corrected return. See [part L](#).

Recipient's statement. [top](#) You may enter a date next to the "CORRECTED" checkbox. This will help the recipient in the case of multiple corrections.

Filing corrected returns on paper forms. [top](#) The [Error Charts for Filing Corrected Returns on Paper Forms](#), later, give step-by-step instructions for filing corrected returns for the most frequently made errors. They are grouped under Error Type 1 or 2. Correction of errors may require the submission of more than one return. Be sure to read and follow the steps given.

Caution! *If you fail to file correct information returns or furnish a correct payee statement, you may be subject to a penalty. See [part O](#). Regulations section 301.6724-1 (relating to information return penalties) does not require you to file corrected returns for missing or incorrect TINs if you meet the reasonable-cause criteria. You are merely required to include the correct TIN on the next original return you are required to file.*

However, even if you meet the reasonable-cause criteria, the IRS encourages you to file corrections for incorrect or missing TINs so that the IRS can update the payees' records.

Error Charts for Filing Corrected Returns on Paper Forms [top](#) Identify the correction needed based on **Error Type 1 or 2**; then follow the steps to make the corrections and file the form(s). Also see [part H](#), earlier.

J. Recipient Names and Taxpayer Identification Numbers (TINs)

Return to top

Recipient names. [top](#) Show the full name and address in the section provided on the information return. If payments have been made to more than one recipient or the account is in more than one name, show on the first name line the name of the recipient whose TIN is first shown on the return. You may show the names of any other individual recipients in the area below the first line, if desired. Form W-2G filers, see the Instructions for Forms W-2G and 5754.

Sole proprietors. [top](#) You must show the individual's name on the first name line; on the second name line, you may enter the "doing business as (DBA)" name. You may not enter only the DBA name. For the TIN, enter either the individual's SSN or the EIN of the business (sole proprietorship). The IRS prefers that you enter the SSN.

Limited liability company (LLC). [top](#) For a single-member LLC (including a foreign LLC with a U.S. owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner's name only on the first name line and the LLC's name on the second name line. For the TIN, enter the owner's SSN (or EIN, if applicable). If the LLC is taxed as a corporation, partnership, etc., enter the entity's EIN.

Bankruptcy estate. [top](#) If an individual (the debtor) for whom you are required to file an information return is in chapter 11 bankruptcy, and the debtor notified you of the bankruptcy estate's EIN, report post-petition gross income, gross proceeds, or other reportable payments on the applicable information return using the estate's name and EIN. The debtor should notify you when the bankruptcy is closed, dismissed, or converted, so that any subsequent information returns will be filed with the correct name and EIN. Different rules apply if the bankruptcy is converted to chapter 7, 12, or 13 of the Bankruptcy Code. For additional guidance, see Notice 2006-83, 2006-40 I.R.B. 596, available at [IRS.gov/irb/2006-40_IRB#NOT-2006-83](https://www.irs.gov/irb/2006-40_IRB#NOT-2006-83).

TINs. [top](#) TINs are used to associate and verify amounts you report to the IRS with corresponding amounts on tax returns. Therefore, it is important that you report correct names, social security numbers (SSNs), individual taxpayer identification numbers (ITINs), employer identification numbers (EINs), or adoption taxpayer identification numbers (ATINs) for recipients on the forms sent to the IRS.

TIP Only one recipient TIN can be entered on the form.

Requesting a recipient's TIN. [top](#) If the recipient is a U.S. person (including a U.S. resident alien), the IRS suggests that you request the recipient complete Form W-9, Request for Taxpayer Identification Number and Certification, or Form W-9S, Request for Student's or Borrower's Taxpayer Identification Number and Certification, as appropriate. Form W-9 is required to be completed by recipients of certain types of payments (as provided in Regulations section 31.3406(d)-1). See the Instructions for the Requester of Form W-9 for more information on how to request a TIN.

If the recipient is a foreign person, the IRS suggests that you request the recipient complete the appropriate Form W-8. See the Instructions for the Requester of Forms W-8BEN, W-8ECI, W-8EXP, and W-8IMY.

Caution! U.S. resident aliens who rely on a "saving clause" of a tax treaty are to complete Form W-9, not Form W-8BEN. See [Pub. 515](#) and [Pub. 519](#).

You may be subject to a penalty for an incorrect or missing TIN on an information return. See [part O](#) for more information. You are required to maintain the confidentiality of information obtained on a Form W-9/W-9S relating to the taxpayer's identity (including SSNs, EINs, ITINs, and ATINs), and you may use such information only to comply with the tax laws.

TIP. If the recipient does not provide a TIN, leave the box for the recipient's TIN blank on the Form 1097, 1098, 1099, 3921, 3922, 5498, or W-2G. Backup withholding may apply; see [part N](#).

Caution! If the recipient does not provide a TIN, you may not make the election described in Regulations section 1.1471-4(d)(5)(i)(A) or (B) or report as described in Regulations section 1.1471-4(d)(2)(iii)(A).

The TIN for individual recipients of information returns is the SSN, ITIN, or ATIN. See [Sole proprietors](#), earlier. For other recipients, including corporations, partnerships, and estates, the TIN is the EIN. Income reportable after the death of an individual must reflect the TIN of the payee, that is, of the estate or of the surviving joint owner. For more information, see [Personal Representative](#) in Pub. 559. For LLCs, see the information on [Limited liability company \(LLC\)](#), earlier.

SSNs, ITINs, and ATINs have nine digits separated by two hyphens (000-00-0000), and EINs have nine digits separated by only one hyphen (00-0000000). **Note.** Make sure you include the hyphen(s) in the correct place(s) when completing the paper form(s).

Caution! *Expired ITINs may continue to be used for information return purposes regardless of whether they have expired for individual income tax return filing purposes. Additionally, the third parties who file and furnish information returns with an expired payee ITIN will not be subject to information return penalties under section 6721 or 6722 solely because the ITIN is expired. See Notice 2016-48, 2016-33 I.R.B. 235, available at [IRS.gov/irb/2016-33_IRB#NOT-2016-48](https://www.irs.gov/irb/2016-33_IRB#NOT-2016-48).*

Truncating payee's TIN on payee statements. [top](#) Filers of information returns are permitted to truncate a payee's TIN (SSN, ITIN, ATIN, or EIN) on most payee statements. The payee's TIN may not be truncated on Form W2-G. Where permitted, filers may truncate a payee's TIN on the payee statement (including substitute and composite substitute statements) furnished to the payee in paper form or electronically. Generally, the payee statement is that copy of an information return designated "Copy B" on the form. A "payee" is any person who is required to receive a copy of the information set forth on an information return by the filer of the return. For some forms, the term "payee" will refer to beneficiary, borrower, debtor, insured, participant, payer, policyholder, recipient, shareholder, student, or transferor. If a filer truncates a TIN on Copy B, other copies of the form furnished to the payee may also include a truncated number. A filer may not truncate a payee's TIN on any forms the filer files with the IRS. A filer's TIN may not be truncated on any form. To truncate where allowed, replace the first five digits of the nine-digit number with asterisks (*) or Xs (for example, an SSN xxx-xx-xxxx would appear on the paper payee statement as ***-**-xxxx or XXX-XX-xxxx). See TD 9675, 2014-31 I.R.B. 242, available at [IRS.gov/irb/2014-31_IRB#TD-9675](https://www.irs.gov/irb/2014-31_IRB#TD-9675).

Electronic submission of Forms W-9. [top](#) Requesters may establish a system for payees and payees' agents to submit Forms W-9 electronically, including by fax. A requester is anyone required to file an information return. A payee is anyone required to provide a TIN to the requester.

Payee's agent. [top](#) A payee's agent can be an investment adviser (corporation, partnership, or individual) or an introducing broker. An investment adviser must be registered with the Securities and Exchange Commission (SEC) under the Investment Advisers Act of 1940. The introducing broker is a broker-dealer that is regulated by the SEC and the National Association of Securities Dealers, Inc., and that is not a payer. Except for a broker who acts as a payee's agent for "readily tradable instruments," the adviser or broker must show in writing to the payer that the payee authorized the adviser or broker to transmit the Form W-9 to the payer.

Generally, the electronic system must do the following.

1. Ensure the information received is the information sent and document all occasions of user access that result in the submission.
2. Make reasonably certain the person accessing the system and submitting the form is the person identified on Form W-9.
3. Provide the same information as the paper Form W-9.
4. Be able to supply a hard copy of the electronic Form W-9 if the IRS requests it.
5. Require as the final entry in the submission an electronic signature by the payee whose name is on Form W-9 that authenticates and verifies the submission. The electronic signature must be under penalties of perjury and the perjury statement must contain the language of the paper Form W-9.

TIP. *For Forms W-9 that are not required to be signed, the electronic system need not provide for an electronic signature or a perjury statement.*

Additional requirements may apply. See Announcement 98-27, available on page 30 of Internal Revenue Bulletin 1998-15 at [IRS.gov/pub/irs-irbs/irb98-15.pdf](https://www.irs.gov/pub/irs-irbs/irb98-15.pdf), and Announcement 2001-91, available on page 221 of Internal Revenue Bulletin 2001-36 at [IRS.gov/pub/irs-irbs/irb01-36.pdf](https://www.irs.gov/pub/irs-irbs/irb01-36.pdf).

Electronic submission of Forms W-9S. [top](#) See the [Instructions](#) for Forms 1098-E and 1098-T.

L. Account Number Box on Forms [Return to top](#)

Use the account number or policy number box on Forms 1097, 1098, 1099, 3921, 3922, and 5498 for an account number designation. The account number is required if you have multiple accounts for a recipient for whom you are filing more than one information return of the same type. The account number is also required if you are an FFI making the election described in Regulations section 1.1471-4(d)(5)(i)(A) or (B) or are a U.S. payer reporting as described in Regulations section 1.1471-4(d)(2)(iii)(A). Additionally, the IRS encourages you to include the recipient's account number on paper forms if your system of records uses the account number rather than the name or TIN for identification purposes. Also, the IRS will include the account number in future notices to you about backup withholding. See [Pub. 1220](#) if you are filing electronically.

The account number may be a checking account number, savings account number, brokerage account number, serial number, loan number, policy number, or any other number you assign to the payee that is unique and will distinguish the specific account. This number must not appear anywhere else on the form, and this box may not be used for any other item unless the separate instructions indicate otherwise. Using unique account numbers ensures that corrected information returns will be processed accurately.

If you are using window envelopes to mail statements to recipients and using reduced rate mail, be sure the account number does not appear in the window. The U.S. Postal Service may not accept these for reduced rate mail.
